501 East Highway Street Vicksburg, MI 49097 Phone: 269.321.1100 Fax: 269.321.1155

August 22, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Vicksburg High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Keevin O'Neill for assistance.

For 2010-2011, Vicksburg High School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information about our school. Please see bullet points below:

- Vicksburg High School is constantly working toward school improvement goals in all core areas. Goals and progress are reviewed annually to drive instruction and decision making in all core areas. Vicksburg High School is committed to becoming a high performing professional learning community.
- Vicksburg High School is currently in the process of implementing the National common core standards in math and English/Language Arts into our math and English courses. Copies of the core curriculum are available online at www.kresa.org and in the Vicksburg High School office.
- 2010-2011 ACT PLAN Average = 18.2 (National Avg. = 17.5)
2009-2010 ACT PLAN Average = 17.4 (National Avg. = 17.4)
The ACT PLAN test is given to all sophomores on an annual basis.
- Vicksburg High School schedules four parent-teacher conferences per year. Over the past two years, approximately 206 parents attended each conference, representing approximately 25% of our student population.

- Vicksburg High School had 79 students dual enroll at a local college or university over the past two school years. This number represents approximately 20% of all students eligible to dual enroll.
- Vicksburg High School currently offers 14 Advanced Placement courses. Students can earn college credit based on AP exam results. In addition, Vicksburg High School offers an additional four AP courses online through Michigan Virtual High School.
- Over 430 students have enrolled in Advanced Placement courses over the past two school years. This number represents approximately 28% of all Vicksburg High School students eligible to take an AP course.
- Over the past two school years, Vicksburg High School students have completed approximately 220 dual enrollment courses making them eligible to receive college credit. Over 98% of all Vicksburg High School students who dual enroll earn or are eligible to receive college credit.

We are very proud of our programs at Vicksburg High School and are committed to the process of continuous improvement through sound professional development, analyzing data to inform decision making, and increasing rigor through the implementation of the common core and college readiness standards. Please feel free to contact me at anytime if you have questions or need further assistance with our AER. Enjoy your day.

Sincerely,

Keevin J. O'Neill

Principal
