

2008 Recital Schedule

Please look for your scheduled time to perform at the recital on Saturday, May 17th. Please look closely as many classes are dancing in more than one recital. We have tried very hard to keep siblings in the same recital, but please understand the difficulty in scheduling these performances. Also, a few classes are dancing to the same song, or have the same class title. Look carefully to find your correct class, day, time, song, and teacher.

In the next few weeks please look for the dress rehearsal schedule that will take place on Friday, May 16th beginning at 4:00. It is mandatory that you are here for the dress rehearsal, as it the final practice before recital! Please put this date on your calendar.

1:00 Recital
