The event will be a four-person scramble with shotgun start at 2:00 p.m. A scramble consists of each person playing each shot from the same position. All four players hit their tee shots (men/green, seniors/white, and women/gold tees), fairway shots, and putts from the same position. The foursome choosing the best shot from which to play determines that position. You, as a foursome, will record only (1) score per hole.
